Dear Prof: -

It came as an
afterthought that given your interest
in the history of color you might be
interested in the enclosure.

The facts herein (i.e. in the paper)
seem to be little known even
nearly 40 years after our brief
account. Neither Gerald Jacobs nor
John Robson with whom I last
chatted at ARVO were aware of it.

I guess we were in the wrong
journal. -

Happy holidays - Best from Dotthe
Yrs.
