Dear Roy: -

Belated apologies for my failing
to acknowledge your kind letter of December 20th.

On the column notion: I like
the idea and would, of course, like to get Dotie's
reaction. (She has been overwhelmed with a variety of
commitments, both internal and external)*. Can
you give me a few more details before I discuss it with
her. Were you thinking of some kind of ongoing event,
or an occasional piece? How long? etc. -

The best I can do on holiday wishes is
to say "Happy Valentine's Day"! -

As ever,

Leo

* Plus two upcoming invited paper deadlines.
